

Church Planting Survey

Name: _____

Engage in the discernment process during the month of August. Pray, fast, and spend time in Scripture, seeking God's answer to this question: "Should I stay and strengthen B3 as I help send and support those who go to plant a church, or should I go and help plant a church with others?"

Choose ONE of the following options:

1. I have prayed, fasted, and sought wisdom in Scripture, and I know the Lord is calling me to stay and strengthen B3 and send and support those who go to plant a church.
2. I have prayed, fasted, and sought wisdom in Scripture, but I am not really sure if I should send and support or go and plant.
3. I have prayed, fasted, and sought wisdom in Scripture, and I know the Lord is calling me to go and plant a church with others.
4. I have NOT prayed, fasted, and sought wisdom in Scripture.
